Affordable

Reliable

You can count on our center being open and ready for your family. Our hours are Monday-Friday 5:30 a.m. to 6 p.m.

High-Quality

Our staff is trained and held to high standards. Our teachers are nurturing and knowledgeable about children's development.

Focused on Education

We use activities and ideas that are age-appropriate from Creative Curriculum in all of our classrooms. This helps your child better prepare for their preschool experience.

Structure

Research has shown that kids do best when on a routine. At our center, each classroom will develop a daily routine to help your child prepare for their school days ahead.

We hope that you'll use the Ann W. Wickman Child Development Center for your child care needs. We're sure that you'll see these benefits—and more—every day!

Mission Statement

The Ann W. Wickman Child Development Center, operated by the Nishna Valley Family YMCA, provides high quality, affordable early child development education and care.

Our nurturing atmosphere stimulates learning, celebrates individuality, promotes self-esteem and encourages social interactions based upon respect and kindness.

Children engage in a framework called Creative Curriculum, an approach that focuses on how children develop and learn, based on their individual interests, the learning environment and the role of the teacher.

Ann W. Wickman Child Development Center is currently under construction and will open in June 2010.
