**At the YMCA, we're always cooking up new programs, great activities, and special incentives to keep you motivated and engaged.. Now we need your help! Its time to flip for the Y!!!**

“Working together, we can whip up the support we need to reach our goal of \$80,000. It’s no small feat, but if everyone adds in what they can to the recipe, we won’t fall flat.”

The Nishna Valley Family YMCA provides financial assistance on a sliding scale to children and families who could not otherwise become members of the Y due to lack of funds. No one is denied access to membership and the wide variety of programs designed to develop healthy spirit, mind and body because of an inability to pay.

To "Partnership w/ Youth" Annual Support Campaign,  
I would like to thank you for letting me have the opportunity to participate at the Yucca. Without your help I could not be able to use the Y facility.  
Thanks Again

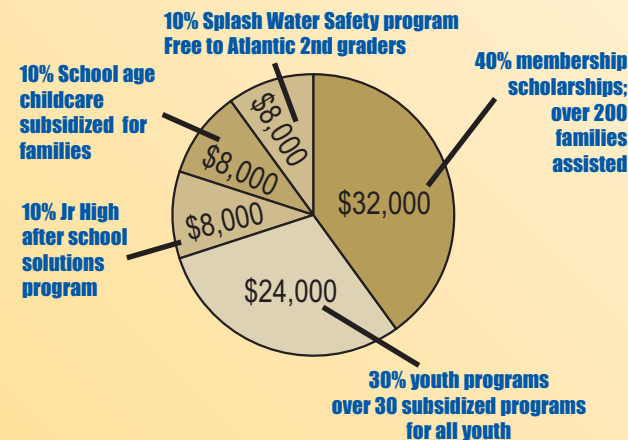

Thank you very much for helping us to get a membership for our family to stay active and to teach our kids great sportsmanship and how to interact with others properly and for me and my wife to live a healthier life through exercise and programs.
